Saturday, February 9, 2013

The **2nd Annual Charity Curling Classic** will be held at the Sydenham Community Curling Club in Wallaceburg. Open to 16 teams of four, participants in this one-day bonspiel will enjoy two games of curling, lunch, dinner and opportunities to win great prizes! All participants are asked to raise a minimum of \$100 in pledges for this event in support of CKHA's Capital Equipment Needs at the Sydenham Campus. Prizes will be awarded to the winning team and the event's top fundraiser. Registration and pledging opportunities will be available via hard-copy pledge sheets and online at www.foundationckha.com.

The **11th Annual Parade of Chefs** will be an evening of fine dining that will showcase the talents and expertise of Chatham-Kent's finest chefs and local wineries, all while raising funds to support local healthcare. As a signature event, *Parade of Chefs* guests will enjoy a six-course meal, accompanied by local wines, and entertainment courtesy of a Celebrity Chef emcee. Past events have featured Chef Lynn Crawford, Chef Massimo Capra and Chef David Adjey as celebrity emcees, and this year we will welcome Celebrity Pastry Chef Anna Olson from Food Network Canada's *Bake with Anna Olson*. This event will be held at Club Lentinas in Chatham and tickets will go on sale in November 2012.

The **1st Annual Chatham-Kent Pumpkin Run... for local healthcare** will feature a 5 km walk/run, a 10 km run and a 100 metre 'Lil Pumpkin Kids Dash'. This event will be held in beautiful Rondeau Provincial Park in Morpeth, Ontario, on the Harrison Trail, which travels the length of the park and features a wide variety of habitats, birds and butterflies. A fun, family event, open to all levels of walkers and runners, the *Chatham-Kent Pumpkin Run* will be a great way to enjoy the beauty of one of Canada's largest Carolinian Forests and raise much needed funds for local healthcare. Registration and pledging opportunities will be available via hard-copy pledge sheets and online at www.foundationckha.com.
