GROUP INSURANCE PLAN®

## facts:

## FINANCIAL WELLNESS WITH CRITICAL ILLNESS INSURANCE

An estimated 177,800 Canadians will be diagnosed with cancer in 2012, according to the Canadian Cancer Society. The Heart and Stroke Foundation predicts 70,000 Canadians will suffer a heart attack, and 50,000 will suffer a stroke.

The good news is in today's world, advances in medical technology mean that more and more Canadians are surviving conditions like these, conditions previously considered life-threatening. And while that is encouraging and hopeful, there can be unexpected and on-going costs associated with surviving a serious illness. Rehabilitation, experimental treatments, increased medical costs, and home or vehicle modifications are just some of the financial challenges critical illness survivors face. Disability

payments usually replace a portion of your salary, but often don't provide enough to cover the extra expenses a serious condition can generate.

That's where Critical Illness (CI) insurance can provide relief. CI insurance typically provides a one-time, lump-sum payment if you are diagnosed with one of the listed covered critical conditions in your policy.

The Chambers of Commerce Group Insurance Plan Critical Illness insurance pays a tax-free lump sum of \$30,000 following an initial diagnosis and survival of any one of twenty-five covered illnesses, including cancer, stroke and heart attack. Evidence of good health isn't required to purchase the insurance and there are no restrictions for the money - it can be used however you wish.

A critical illness often strikes with little to no warning, and though you can't predict the future, you can prepare for it. CI insurance is an important part of a comprehensive benefits plan, providing simple, affordable coverage, allowing you to focus on getting better.

# ***"Congratulations"*** ***Oma's Second Home***

On February 16, 2012, Oma's Second Home was awarded the "Community Appreciation Award" during the Community After 5 at Crabby's Joes Tap & Grill.

With the support and encouragement from friends and family, Brigitta Falconer (also known as Oma) and her husband Bob opened the door to Oma's Second Home in January, 2000; which is located at 2028 Dufferin Avenue in Wallaceburg.

Prior to launching Oma's Second Home, Brigitta and Bob were volunteers with the Catholic Women's League, Salvation Army, Wallaceburg Museum, St. Vincent de Paul and the Knights of Columbus.

Oma's Second Home has become an integral part of Wallaceburg. In the last eleven years, Brigitta and Bob have donated over \$100,000 to local charities and organizations. Oma's Second Home works closely with poverty in our community and sometimes donates items to citizens who truly need help.

Oma's Second Home is not only a charitable organization; it has also become a gathering place for many people. Brigitta and Bob always have a warm smile, a kind word, and a helping hand for everyone.

At the same time, Brigitta and Bob have received countless blessings through this labour of love. They see themselves as very fortunate to have been able to give back to our community. Their continuous commitment to our community makes Oma's Second Home a deserving recipient for the "Community Appreciation Award."

Congratulations!!!!

Do you know of a business, individual or community group that deserve recognition for making a difference in our community?

Why not nominate them for a  
**"Community Appreciation Award"!!!!**

The Community Appreciation Award program was designed to give recognition, on a quarterly basis, to those that make a difference in our community.

If you would like to make a nomination, please contact Tina at the Chamber office (519) 627-1443.
